On this two-hour whale watch, Trilogy is dedicated to sharing insightful information about the endangered Humpback Whale and its habitat through our on-board naturalists. Our goal is to give each guest a meaningful encounter with these magnificent creatures without disturbing their behavior and following the Sanctuary Whale Watching guidelines. Trilogy has hydrophones on board, so we are often able to hear the whales sing their incredible songs (weather permitting). Many guests comment that this was the best whale watching experience of their lives!

### Hawaiian Islands Humpback Whale National Marine Sanctuary

A portion of our Whale Watch tours go towards funding the Whale Sanctuary. The Hawaiian Islands Humpback Whale National Marine Sanctuary is dedicated to protecting the endangered Humpback Whale and its habitat. Trilogy was the first official sponsor of the Whale Sanctuary and has continued to be involved in supporting and promoting the Sanctuary's goals and efforts.
