## The Lana'i Seafari

Saturdays & Holidays only

7:30am - 3:30pm

*Please see parking and check-in information below*

The Seafari is an exciting way to experience Lana'i as the Ali'i, or royalty, did over two hundred years ago. 'King Kamehameha the Great' chose the southern coast of Lana'i as his summer retreat for the royal family. We will take you snorkeling in these pristine waters, only accessible by boat, where you can expect to see an abundance of tropical fish- a few of which are found nowhere else in the world. This destination will amaze you both above and below water as you are surrounded by some of the highest sea-cliffs in the world. After snorkeling, soak in this majestic view aboard the boat while enjoying our signature BBQ lunch, cooked by your Captain. Next, we will dock at Manele Harbor and proceed on an air-conditioned driving tour of the island guided by a locally-born tour guide. The island of Lana'i is rich in its local history, and what better way to learn about this island than from a local resident. On the sail home, enjoy another tasty deli snack, cold beverages, and locally made ice-cream while gliding across the exciting waters between Maui and Lana'i.

The main difference between Discover Lana'i and the Lana'i Seafari is that snorkeling on the Seafari takes place from the boat instead of the beach. As part of Trilogy's initial agreement with Lana'i (established over 40 years ago), we do not go to Hulopo'e Beach on the weekends or Holidays so as to leave that area available to the residents of the island.
