Looking for a Different Sort of Celebration? Charter a Catamaran!

Schedule Your Company's Holiday Party or New Year's Bash with Trilogy Excursions, Maui's First Sailing Company

Instead of a Hotel Banquet, Make it a Day-Trip to the Island of Lanai, or a Sunset Sail along the Kaanapali Coast

Lahaina, Maui, Hawaii (December 8, 2006)—Throw your friends and family, colleagues and employees, a holiday party or New Year's Bash that they'll never forget! From large to small, Trilogy Excursions is an ideal activity, and by virtue an exciting floating venue, for celebrations of any kind. For questions or to schedule a party, contact the next generation of the Coon Family, Lily, at (808) 661-4743 ext. 223 or email [HYPERLINK "mailto:lily@sailtrilogy.com" lily@sailtrilogy.com](mailto:lily@sailtrilogy.com).

She comments: "I have been surprised to find out how many people who live here have never been to Lanai or out on a sunset sail. I have noticed a trend of business owners wanting to take their employees on a unique trip rather than out to dinner."

Like one-stop shopping, Trilogy Excursions offers an all-inclusive ticket for FUN! Enjoy sailing across the channel, or cruising along the shore, on a catamaran under the leadership of expert crew and USCG licensed captain. Snorkel and play in the sand on Lanai, or sample heavy pupus at sunset off of Kaanapali. The best part is the cost: It's quite affordable per person.
